

17 April 1959

Lockheed Aircraft Corp.
Burbank,
California

25X1A Attention [REDACTED]

25X1A Dear [REDACTED]

1. Confirming our phone conversation of 13 April 1959,
request you remove two (2) frequency counters and allied
equipment from airplane 7047 and ship them to [REDACTED] 25X1A
in Washington.

2. Confirming our phone conversation of 13 April 1959,
request you ship the Ampex 807 recorder and allied equipment,
that are being generated as surplus as a result of the Phase VI
modifications, to the following address:

Naval Supply Center
Oakland,
California

for further shipment as I requested to you.

Yours very truly,

25X1A
